

Privacy Policy for Connec2

Who we are

Our website address is: <https://connec2.co.uk>.

Connec2 is committed to protecting your privacy. This privacy policy outlines how we collect, use, and safeguard your personal information when you interact with our website.

Comments

When visitors leave comments on the site, we collect the data shown in the comments form, along with the visitor's IP address and browser user agent string to help with spam detection.

An anonymized string created from your email address (also called a hash) may be provided to the Gravatar service to check if you are using it. The Gravatar service privacy policy is available at: <https://automattic.com/privacy/>. After your comment is approved, your profile picture (if used via Gravatar) may be visible to the public in the context of your comment.

Media

If you upload images to the website, we recommend avoiding the upload of images with embedded location data (EXIF GPS) included. Visitors to the website may be able to download and extract location data from images posted on the site.

Cookies

If you leave a comment on our site, you may opt-in to saving your name, email address, and website in cookies. These cookies are for your convenience, so you do not have to re-enter your details when leaving another comment. These cookies will last for one year.

If you visit our login page, a temporary cookie may be set to determine if your browser accepts cookies. This cookie contains no personal data and is discarded when you close your browser.

When you log in, we set up several cookies to save your login information and your screen display choices. Login cookies last for two days, and screen options cookies last

for a year. If you select “Remember Me,” your login will persist for two weeks. If you log out, the login cookies will be removed.

If you edit or publish content, an additional cookie will be saved in your browser. This cookie contains no personal data and simply indicates the post ID of the content you edited. It expires after 1 day.

Embedded content from other websites

Articles on this site may include embedded content (e.g., videos, images, articles, etc.). Embedded content from other websites behaves in the exact same way as if you had visited the other website directly.

These websites may collect data about you, use cookies, embed additional third-party tracking, and monitor your interaction with the embedded content — including tracking your interaction if you have an account and are logged in to that external website.

Who we share your data with

If you request a password reset, your IP address will be included in the reset email.

How long we retain your data

If you leave a comment, the comment and its metadata are retained indefinitely. This is so we can recognize and approve any follow-up comments automatically rather than holding them in a moderation queue.

For users who register on our website (if applicable), we also store the personal information provided in their user profile. All users can see, edit, or delete their personal information at any time (except they cannot change their username). Website administrators can also view and edit that information.

What rights you have over your data

If you have an account on this site, or have left comments, you may request an exported file of the personal data we hold about you, including any data you’ve provided to us. You can also request that we erase any personal data we hold about you. This does not include any data we are required to keep for administrative, legal, or security purposes.

Where your data is sent

Visitor comments may be checked through an automated spam detection service.
